Description:

Experience the innovation capital of the world with a Lip Smacking Foodie Tour that whisks guests to San Jose's upscale Santana Row in the hub of Silicon Valley. With trendy restaurants, hip boutiques, leading tech companies, a boutique hotel, state-of-the-art cinema, and luxurious residences, this exciting European-style piazza attracts 12 million visitors annually.

The award-winning culinary walking tour company escorts patrons to the best tables immediately at four renowned restaurants, complete with personal greetings from chefs and proprietors. Guests enjoy signature dishes with VIP service, all the while mingling and networking in a fun and relaxed environment.

This afternoon or evening excursion includes exploring Santana Row's "hidden art," of which few locals are even aware, as well as stops at these top establishments:

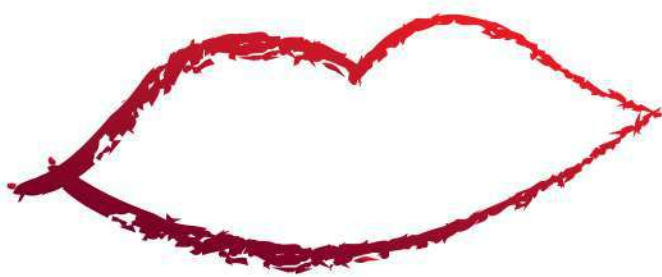

- **LB Steak:** The glamorous American steakhouse by James Beard Award-winning chef Roland Passot spotlights Japanese Wagyu, certified prime Angus and sustainable seafood.
- **Ozumo:** Founded by Jeremy Umland who played professional baseball in the Japanese Pacific League, this second location of the original San Francisco izakaya specializes in contemporary Japanese small plates.
- **EMC Seafood & Raw Bar:** Bypass the lines at this wildly popular restaurant that takes no reservations, and take a seat immediately to savor an array of Asian-inflected seafood dishes.
- **Left Bank Brasserie:** Passot's Parisian bistro showcases classic French cuisine.
