Description:

There's no better way to see Seattle's buzziest neighborhood of Capitol Hill than on a Lip Smacking Foodie Tour, where guests are treated to unprecedented access to some of the city's most celebrated eateries.

The award-winning culinary walking tour company makes it easy to mingle and network, all the while enjoying signature dishes with VIP service at four renowned establishments in one unforgettable outing. Guests will be immediately seated at the best tables in the house, and greeted personally by chefs and proprietors, at these four stops:

- Marmite: Named one of 'America's Best New Restaurants' in 2017 by Bon Appetit magazine, this restaurant is praised far and wide for its impeccable French cuisine.
- Capitol Cider: The largest independent cider bar in America features hundreds of varieties of cider, as well as potent spirits and luscious house-made apple butter.
- Omega Ouzeri: Proprietor Thomas Soukakos redefines traditional Greek cuisine through an array of delightful mezes or small plates that make dining fun and convivial.
- Osteria La Spiga: At this modern-day temple to authentic Northern Italian cuisine, Executive Chef Sabrina Tinsley and her Italian-born husband, General Manager and Co-Owner Pietro Borghesi, specialize in hand-made pastas.
