# YOUR EVENING PLANS WITH LIP SMACKING

We build your group's evening with a story arc *that ends with everyone smiling* and waiting for the sequel.

*Daytime experiences are also available.*

## FROM FIRST TASTE

### *The Warm Welcome*

The evening begins before the first bite. Your host welcomes the group, sets the stage, and makes sure every guest feels taken care of from the moment they arrive.

• • •

### *Restaurant: First Course*

Your group steps into the first of three exceptional restaurants – VIP access, no wait, no friction. The food opens the conversation and the evening begins to take on a life of its own.

• • •

### *Restaurant: Second Course*

*The room shifts.* Your host moves the group to the next restaurant and guests rotate seats – by design. New dinner partners, new energy, a menu that builds on the first course. This is where the evening stops feeling like an event and starts feeling like a night out.

• • •

### *Restaurant: Third Course*

*The group has hit its stride.* Conversation is easy, the room is alive, and the third restaurant delivers a course worthy of the moment – a menu as intentional as the evening itself.

## TO LAST BITE

### *The After Party*

*The finale is unhurried by design.* Your host guides the group to one last destination – fresh seats, new table neighbors, and a curated closing course. The night wraps the way the best meals do: slowly, sweetly, and with everyone already planning the next one.

*Designed for networking*
